MEMORANDUM FOR: [REDACTED]

25X1

FROM: Director of Central Intelligence

SUBJECT: DePauw University Lecture

1. For the trip to DePauw University next October, make a reminder that the President of DePauw is Dick Rosser, former deputy to Wes Posvar at the Air Force Academy and then head of the Political Science Department at the Air Force Academy. Was the head when I went out to participate in a conference there in 1974. Also a close friend of [REDACTED]

2. About the first of September take a sounding with me and see whether we should consider speaking at the University of Kentucky the night before we talk at DePauw and Wabash. They are all in about the same part of the world and maybe we can leave a half a day earlier and take in a third university and give the same talk at all three. If so, we'll contact [REDACTED] and he'd be glad to set it up at Kentucky.
